Definitions:
Respect – Student initiates and manages his or her learning through actions and behaviors that demonstrate self-awareness, self-control, and their ability to work in diverse groups to achieve a common goal.

Last Update: 06/04/2019

Responsibility – Student initiates and manages his or her learning through actions and behaviors that demonstrate self-motivation and self-advocacy.

Hard Work - Student initiates and manages his or her learning through an ability to demonstrate a "growth mindset," to persevere by completing complex and challenging tasks, and to adapt as a reflective learner.
