D. Adjourn

DECA International Career Development Conference

April 22nd – April 27th

Request: We are requesting school board permission to attend the DECA International State Competition in Atlanta, GA.

Alvirne Chapter students performed well at our one-day state DECA career development conference at the Doubletree hotel in February. 10 out of our 12 competing students placed in the top three for NH in their competitive events and qualified for the international DECA competition.

At ICDC, students compete internationally in their assigned competitive events. Only students that have placed at our local competition are eligible to compete on a national level. Students look forward to the opportunity to expand their competency in their business categories, gain additional business training and education, and network with likeminded students. This is an excellent opportunity for students to expand their career readiness.

When/Where: April 22- April 27, 2022

Embassy Suites Centennial Olympic Park, 2815 Marietta Street, Atlanta, GA 30313

Student Cost: Includes airfare, hotel, and registration. This year we are trying to bring the cost closer to \$100.00 to use funds in our account to cover most of the \$140.00 registration fee.

Number of students attending: Approximately 6 (currently)

Number of Advisors attending: 1

Educational Value: Students have been studying for business competitive events throughout the year. Students meet weekly after school to prepare for their event role plays and online computer tests for each event.

Why participate in DECA:

The organization prepares future business leaders and entrepreneurs to be “career and college ready.” This 75-year-old organization is well known for preparing students for future careers in marketing, finance, and management. Students not only master important business skills but often make personal and business connections that may last a lifetime.

Thank you for your consideration.

Sincerely,

Sarah Compagna
